

Thank you, Dr. Hasan. I am very pleased to be here and to be able to congratulate all the students who successfully participated in this summer camp. It sounds like it was a wonderful program. I wish I could have attended along with you! The type of subjects you studied and the projects you tackled are important to your communities and to the global community. I am pleased that the U.S. Consulate was able to cooperate with Al Quds University to promote such enrichment programs for Palestinian youth. The U.S. Consulate is proud to be a part of this effort to help these children build a better future for all Palestinians. We hope this program has inspired these children. And we hope we can engage in other such activities in the future. Congratulations to all the graduates. You and your families should be proud of your achievements.

Thank you.
